Creating Community Through Events

About Wausau Events:

Wausau Events, Inc. is a **501(c)(3) non-profit** organization dedicated to our mission of **Creating Community Through Events** by enhancing the quality of life that the Wausau area is known for. Most of our events are offered free of charge. This would not be possible without the generous support of many businesses, organizations, individuals and Wausau's Room Tax Program.

Partnerships:

Through our events, we are able to provide great opportunities for local businesses to show their support of the community, meet potential customers at events and gain brand recognition through our promotion of the events sponsors via various medias. We also help improve the quality of life for your families, employees and potential clients. We want to create community partnerships with businesses that benefit the community and the sponsoring businesses.

Opportunities:

Wausau Events is searching for sponsor support to continue to provide quality events throughout the year. We have sponsorship levels for every business and encourage finding the right fit for each individual business. We want to work with you to create the best event with the best exposure for your business.

If you are interested in an opportunity to partner with Wausau Events through a sponsorship, please contact the Executive Director, at execdir@wausauevents.org or 715-297-9531.
